Telco Branch Spot Light WEAVERVILLE

L to R: Eddie Dayton, Sarah Perkins, Diane Ballard, Dawn Huffman, Irving Perez

Community involvement is very important to Diane Ballard, branch manager and the Weaverville team. Throughout the year, they have sponsored several raffles to raise money for worthwhile events and non-profit organizations that help women and children. They gave the Weaverville Police and North Buncombe Middle School money to buy school supplies and gathered donations during the Toys for Tots drive. In addition, they raised money for The Hope Chest- an organization that helps women with cancer and gave money to help build a bathroom for a special needs child.

Thank you Weaverville Branch for your civic-mindedness.

WHERE MEMBERS MATTER

Our New Brevard Branch

We are so excited to announce our ninth branch will be opening in April.

The branch is located at 281 Asheville Highway, Brevard, NC in a building formally occupied by TD Bank. It will provide a convenient location for members in Transylvania County and the surrounding region to conduct full-service banking, including an ATM.

We look forward to increasing membership under the direction of the new branch manager, Karl Hosler. Many of you may remember Karl from the Tunnel Road location, where he was the assistant branch manager.

We will be publicizing the opening date on Facebook and other media outlets as soon as details are available. Stay tuned!

WE'VE CHANGED OUR LOOK!

After several decades, we updated our brand identity, which includes a new logo, colors, font, and a new tagline. You'll start to see the new look on places like our website, Facebook, and brochures, including this newsletter. Soon you'll see it in all of our signs and branches, as well.

For many years, we've more or less stuck with the same spinning pinwheel and colors. But over the years we've changed quite a lot and we needed a brand identity that reflected those changes. We worked with a professional design company, Insight Marketing, to create branding that appeared crisp, approachable, professional, and positioned us in the mountains. We believe the new look better matches what we've become: a provider of modern banking services to our mountain region and growing membership.

Morgan Travis
Hickory Branch Manager

Telco Community Credit Union has its Crasher!

Our very own Morgan Travis has been selected to attend Crash the GAC (Governmental Affairs Conference) 2019 by The Cooperative Trust and Credit Union National Association.

Only 5 participants were selected out of the Carolinas! Crashers were selected based on their 60-second videos on why they are great candidates to Crash the GAC.

Crash the GAC is a non-stop, career-changing program for credit union young professionals that allows them to participate in the industry's largest advocacy conference with exclusive networking opportunities, leadership development tools, and mentoring sessions with industry leaders from organizations such as Filene Research Institute, CUNA, and National Credit Union Foundation (NCUF).

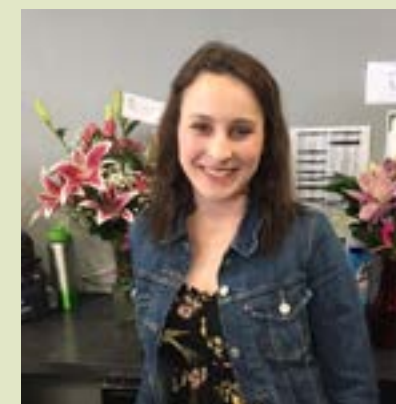

"We are incredibly proud to have Morgan selected to Credit Unions from North and South Carolina. Congratulations!"
